

Don McDaniel

CEO, Canton & Company

A healthcare leader and serial entrepreneur, Don has experienced the disruption of the industry from many viewpoints. Not only has he launched several healthcare businesses, Don is a former hospital, health services, health IT, and insurance industry executive. His leadership positions also included a role as an operating partner for a venture capital firm that acquired multiple health plans. Consistent across his diverse background is helping innovative healthcare companies succeed through growth and scale.

Prior to founding Canton & Company, Don was the Founder, Chairman and CEO of Sage Growth Partners, Vice Chairman and Chairman of Continuum Health, CEO of Lighthouse Risk Solutions, SVP and GM, Consulting of Northrop Grumman Health IT, Operating Partner of Venture Health Partnership Group, President of Ascendia Healthcare Management, and Vice President, Business Strategy of Bon Secours Health System.

As a seasoned board member, advisor, investor, and fund raiser, Don loves helping leaders innovate and is committed to fundamentally transforming the industry to deliver on its promise of health.
